```

The following code loads data to your local JupyterHub instance. You only need to run this once.

```

[2]: def copy_data_to_local():
    dst_data_path = data_dir.joinpath('enron.zip')
    endpoint_url='https://storage.budsc.midwest-datascience.com'
    enron_data_path = 'data/enron.zip'

    #s3 = s3fs.S3FileSystem(
        #anon=True,
        #client_kwargs={
            #'endpoint_url': endpoint_url
        #}
    #)

    #s3.get(enron_data_path, str(dst_data_path))

    with zipfile.ZipFile(dst_data_path) as f_zip:
        f_zip.extractall(path=data_dir)

```

```
copy_data_to_local()
```

This code reads emails and creates a Spark dataframe with three columns.

## 0.1 Assignment 4.1

```
[3]: def read_raw_email(email_path):

                    <br><br>
                    Due to overwhelming demand for the Palm OS&#174; v4.1 Upgrade with
                    ↪Mobile Connectivity, we are
                    extending the special offer of 25% off through November 30, 2001. So
                    ↪there's still time to significantly
                    increase the functionality of your Palm&#153; III, IIIX, IIIXe, IIIC, V
                    ↪or Vx handheld. Step up to the
                    new Palm OS v4.1 through this extended special offer. You'll receive
                    ↪the brand new Palm OS v4.1
                    <b>for just $29.95 when you use Promo Code <font
                    ↪color="#FF0000">OS41WAVE</font></b>. That's a
                    <b>$10 savings</b> off the list price.
                    <br><br>
                    <a href="http://insync-online.p04.com/u.d?NkReaQA5eczXRh=51">Click here
                    ↪to view a full product demo now</a>.
                    <br><br>

```

 You can do a lot more with your Palm® handheld when you upgrade to the Palm OS v4.1. All your favorite features just got even better and there are some terrific new additions:

- Handwrite notes and even draw pictures right on your Palm® handheld
- Tap letters with your stylus and use Graffiti®; at the same time with the enhanced onscreen keyboard
- Improved Date Book functionality lets you view, snooze or clear multiple alarms all with a single tap
- You can easily change time-zone settings

[!\[\]\(64f7c7e956682d89489e8b2ffcb346b7\_img.jpg\)](http://insync-online.p04.com/u.d?WkReaQA5eczXRb=71)
  
  
 Mask/unmask private records or hide/unhide directly within the application

- Lock your device automatically at a designated time using the new Autolocking feature
- Always remember your password with our new Hint feature\*

[!\[\]\(bd1e8030ddcf14aba902529f6d3d03af\_img.jpg\)](http://insync-online.p04.com/u.d?VEReaQA5eczXRQ=81)
  
  
 Use your GSM compatible mobile phone or modem to get online and access the web

- Stay connected with email, instant messaging and text messaging to GSM mobile phones
- Send applications or records through your cell phone to schedule meetings and even "beam" important information to others

All this comes in a new operating system that can be yours for just \$29.95! [Click here](http://insync-online.p04.com/u.d?MkReaQA5eczXRV=91) to

```

        upgrade to the new Palm OS v4.1</a> and you'll also get the
↳latest Palm desktop software. Or call
        <nobr>1-800-881-7256</nobr> to order via phone.
        <br><br>
        Sincerely,<br>
        The Palm Team
        <br><br>
        P.S. Remember, this extended offer opportunity of 25% savings
↳absolutely ends on November 30, 2001
        and is only available through the Palm Store when you use Promo Code
↳<b><font color="#FF0000">OS41WAVE</font></b>.

Dear THERESA,

Due to overwhelming demand for the Palm OS® v4.1 Upgrade with Mobile Connectivity, we are

extending the special offer of 25% off through November 30, 2001. So there's still time to significantly

increase the functionality of your Palm III, IIIx, IIIxe, IIIf, V or Vx handheld. Step up to the

new Palm OS v4.1 through this extended special offer. You'll receive the brand new Palm OS v4.1

for just \$29.95 when you use Promo Code OS41WAVE. That's a \$10 savings off the list price.

[Click here](#) to view a full product demo now.

You can do a lot more with your Palm handheld when you upgrade to the Palm OS v4.1. All your

favorite features just got even better and there are some terrific new additions:

Handwrite notes and even draw pictures right on your Palm handheld  
Tap letters with your stylus and use Graffiti® at the same time with the enhanced onscreen keyboard  
Improved Date Book functionality lets you view, snooze or clear multiple alarms all with a single tap  
You can easily change time-zone settings

Mask/unmask private records or hide/unhide directly within the application  
Lock your device automatically at a designated time using the new Autolocking feature  
Always remember your password with our new Hint feature\*

Use your GSM compatible mobile phone or modem to get online and access the web  
Stay connected with email, instant messaging and text messaging to GSM mobile phones  
Send applications or records through your cell phone to schedule meetings and even "beam"  
important information to others

All this comes in a new operating system that can be yours for just \$29.95! Click [here](#) to upgrade to the new Palm OS v4.1 and you'll also get the latest Palm desktop software. Or call 1-800-881-7256 to order via phone.

Sincerely,  
The Palm Team

P.S. Remember, this extended offer opportunity of 25% savings absolutely ends on November 30, 2001  
and is only available through the Palm Store when you use Promo Code OS41WAVE.

\* This feature is available on the Palm IIIx, Palm IIIxe, and Palm Vx.  
\*\* Note: To use the MIK functionality, you need either a Palm OS® compatible modem or a phone with built-in modem or data capability that has either an infrared port or cable exits. If you are using a phone, you must have data services from your mobile service provider. Click here for a list of tested and supported phones that you can use with the MIK. Cable not provided.
